

SUBJECT: Onsite Wastewater Practitioner Virtual Training Program

Below is information on upcoming training dates for the Onsite Wastewater Practitioner Training Program. This training program will be hosted by Manitoba Onsite Wastewater Management Association. The training program will be delivered using the Alberta Onsite Wastewater Management Association's training program which has been formally recognized by Manitoba Environment and Climate. This program is recognized in Alberta, British Columbia, and Saskatchewan under the Trade, Investment and Labour Mobility Agreement (TILMA) and the New West Partnership.

The Onsite Wastewater Practitioner Training Program is currently divided into three 3-day sessions for 9 days (including exam day), and a separate Site & Soil Evaluation Field Day.

- In order to receive a Certificate of Training, you must complete all training dates, including the Site and Soil Evaluation Field Day (See attached).
- A passing grade of 75% is required on all course components including the final exam.

The next available virtual training session dates are:

Western Canada Onsite Wastewater
Management Association

If you are interested in participating in the virtual training session listed, please complete the registration form below and **email or fax** it back. Space in the training sessions is limited and is allotted on a first come, first served basis. Upon receipt of the completed form and payment for training, your course supplies will be sent to you for review prior to training. **A minimum class of fifteen paid participants is required in order for the class to take place.**

Cancellations will be accepted up to seven days prior to course start date. No refunds will be made for cancellations with less than seven days' notice, however, you may send a substitute person under your paid registration.

The fee for the required Site and Soil Field Evaluation Day is included in the course fees.

Training fees must be received in our office prior to the course date.
