

Dear MOWMA Member,

Welcome to the Staples Business Advantage – Manitoba Onsite Wastewater Management Association (MOWMA) Office Supply Program! All members of Western Canada Onsite Wastewater Management Association are eligible for this program through their affiliate organization.

We are pleased to offer to the association membership group savings on our full line catalogue including office supplies , facilities supplies, ink and toners, paper and a select list of high use items. Members also have access to customized online ordering at www.eway.ca and free next business day delivery on orders over \$50.00 (excluding furniture).

If you have a current account, or one that you have not used for a while or wish to set up a new account with Staples Professional, please contact us to re-activate your online ID, and get all the details on the 2024 pricing program.

Members have the option of opening a customer account with Staples Professional and / or paying for their purchases with a major credit card. Please contact us anytime for any questions, concerns or to quickly setup your account today!

Offer is valid for Staples Professional Clients and not applicable at Retail Stores or online through www.staples.ca. Please call with any questions.

Regards,

Lisa Westcarth
